

Welcome to P2S,

24/08/2015

Hello, my name is Heather Lawman and I will be teaching the class along with Claire Smart this year. I am really looking forward to getting to know you and your children this year.

Our topic for the first term is The Senses, where we will be learning about the different senses and investigating how we use them.

In literacy this term we will be covering personal writing, continuing active literacy for spelling and in grammar we will be focusing on capital letters, nouns, alphabetical order and 'a' or 'an'.

Mathematics this term we will cover numbers up to 100, including ordering, counting in 2,3,4,5 and 10s. We will also be learning about 2D and 3D shape.

For Health and Wellbeing we will be focusing on creating a classroom community, sharing, friendships and listening.

Homework for this term will be spelling, which will be handed out on Monday to be completed by the Friday. We will also have reading two days a week, could you please sign your child's homework to show that you have seen it.

This term we will have Library on a Monday and PE on a Tuesday, could you please ensure that your child brings in their library book and PE kit for the correct days. Please ensure your child brings in their homework diary and their book bags every day.

Our timetables will be sent home in the next few weeks, once finalised.

If your child goes to after school club or takes the bus could you write a note in the homework diary what days this applies. Please inform me or the office if someone other than the usual person is collecting your child as soon as possible.

If you would like to come in to help in the class please feel free to let me know as your help will be greatly appreciated. If you would like to come in and talk to me about your child please make an appointment by calling the office.

Kind Regards
Miss Lawman
