PTA/PC

There will be an online AGM on Tuesday the 22nd of Sep. Please check the groupcall for further information. We are looking for new members to join the Parent Council. We would particularly welcome having some of our families with younger children onboard.

- PTA email address: banchoryprimarypta@gmail.com
- Parent Council contact: Catriona Beverley aberdeenshire@npfs.org.uk

The PTA will be focussing on the playground this session. The Parent Council will be working to support the school with the recovery model through these difficult times. It would be really appreciated if we could have an increased parental representation on the PC. Most likely these meetings will continue to be online for some time, so perhaps easier for some parents now to volunteer?

As always, thank you to every family for your ongoing support in whatever capacity you can manage.

Checklist

As per government advice, p.e. continues to be outside at the moment, weather permitting. If really poor, we would be working on HWB in class.

- Warm, waterproof clothes are necessary and trainers permitted.
- Children may use their own soaps, creams or hand sanitisers.

Guidance

A link to the government guidance. Please note, we find out at the same time as everyone else - so please bear with us if there are any changes we need to look at. Primary school aged children do not need to socially distance, but we are continuing to maintain safety rules and boundaries within school.
