Staff Working Groups

Started in Aug 2019, the three main staff working groups will continue through 2020 – 2022. This work is crucial to school improvement and time is allocated within the collegiate calendar with an expectation of agreed actions and plans being taken forward. Staff can use Teams to collaborate.

1. **Making Thinking Visible** – The MTV Group have already participated in several sessions. This is a set programme run by Tapestry. All staff will participate in this programme over the session as part of the main school improvement plan.
Core Group: GJ, JH, JR, JOD and HF. **Still looking for a couple of new members.**
2. **Self-Evaluation** – The SE Group will access the suite of tools available to support working through HGIOS4. The overarching aim will be to establish a culture of self-evaluation amongst the school community. First task: **Curriculum** – Updated curricula plan for all subjects and across all stages to be in place. Link with the curriculum rationale, sketchnotes and overviews. **JF**
3. **GIRFEC** – Draw on all recent ASN legislation, GIRFEC and safeguarding information to audit and improve equity and equality policies. Quality assure and update the systems in place, plan and provide ongoing training for staff. NAS accreditation programme. Local Girfec group chair- **JF**
